New Patient Registration

Thank you for choosing PhysioPartners! PhysioPartners provides physical therapy and occupational therapy at our two convenient locations in Lakeview and the Loop. With care that incorporates manual therapy, movement re-education, and prescriptive exercise, we work to guide our patients to their greatest health potential through an unparalleled patient experience. Whether you are recovering from debilitating injury or seeking to maintain your strength and fitness as you age, PhysioPartners can help return you to the activities you love and achieve freedom through movement.

New Patient Registration and Helpful Information To schedule an appointment, please call us at (773) 665-9950.

1. Complete [Registration Forms](#).
