Imelda Harper

Imelda Harper

Imelda Harper, PT, Certified in Mechanical Diagnosis and Therapy, has been practicing with PhysioPartners, PC, since 2004. She earned her degree in Physiotherapy from Trinity College in Dublin, Ireland in 1990.

She is certified in the McKenzie Method® of Mechanical Diagnosis and Treatment, a treatment approach that utilizes specific patient-based exercises and education to accelerate recovery.

Imelda has experience across a broad range of patient populations. Her primary areas of specialty include manual therapy, orthopedic physical therapy, spinal rehabilitation, and the treatment of headaches. Imelda is an active member of both the American Physical Therapy Association and the Irish Physiotherapy Association.

Imelda sees patients at our Lakeview location.
